2nd WORLD VIRTUAL CHOIR FESTIVAL

1-6 December 2020

SOCIETY**

FOREWORD

After entering in August 2020, the situation due to the COVID19 Pandemic still feels very heavy, especially with more and more people being exposed to this dangerous virus. Although offices, markets, and busy centers have opened, schools and houses of worship are still closed. And after the opening of offices, markets, and other crowded places, it becomes a "cluster" for the spread of COVID19.

We are all still prohibited from gathering, we still have to keep our distance and wear masks in public. Worries about being affected by COVID19 still haunt us. We are all still not free to meet, and for the choir activists, this situation does not allow sing together. The choir cannot practice, cannot perform in public places, cannot hold concerts, and cannot hold competitions.

Considering the situation that limits the choir's space to move, the Bandung Choral Society has the initiative to again hold a Choir Event so that singers and conductors can still be active, productive, and connected with singers and connoisseurs of the art of singing.

Continuing the success of holding the first WORLD VIRTUAL CHOIR FESTIVAL and VIRTUAL CHOIR AND SOLO SINGING COMPETITION, which was just held, now, we are presenting the 2nd WORLD VIRTUAL CHOIR FESTIVAL, which will be held on 1-6 December 2020.

The Virtual Choir event was initially only a safe way out to continue singing activities during the COVID19 Pandemic, but it turns out that the Virtual Choir event organized by the Bandung Choral Society can provide excitement and spur a spirit of achievement. The choir involved can feel the joy of singing together again, sharing compassion and pride, and letting go of the longing even though it is spiritual.

I invite singers and choirs to take part in the 2nd WORLD VIRTUAL CHOIR FESTIVAL 2020. Give the choir and singers passion and passion for singing. The 2nd WORLD VIRTUAL CHOIR FESTIVAL was opened for INTERNATIONAL PARTICIPANTS for the Choir Competition and Solo Singing Competition.

This virtual singing experience can provide a unique and exciting experience. This is a new way of singing!

TOMMYANTO KANDISAPUTRA
